11.

A research organization made up of experts providing ideas & advice for future developments.

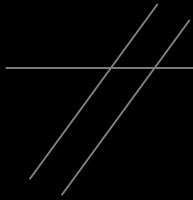

The Think Tank Entertainment is a global,
Creative, Concept, Content and Strategy entertainment company.

We are a full service, integrated entertainment network.
We are in the business of getting people to fall in love with our clients' products and services.

We are the biggest players in Real Estate and Luxury Cars in terms of clientele.

We passionately believe in the power of thoughts to create experiences and inspire the world to
change for the better.
"We have no excuses."
